

Iron Horse

Fire Proofing - Plaster - Finishing Machine

The Iron Horse plaster pump is a J. Glover Exclusive. Equipped with an Iron Horse plaster pump and a 1010 Powermix mixer, the Iron Horse can pump & mix plaster, finish, pebble, and fireproofing with ease. Unlike its competitors, the J. Glover Iron Horse is mounted on a (Spray Force) full wishbone torque-flex axle trailer with electric brakes. For an incredibly smooth ride and the best longevity in the industry. This innovative suspension system makes for ease of transportation to and from the job sites day after day, while still maintaining its low-slung frame. In addition, the Iron Horse comes with a proprietary shaker box screen for faster, contaminate free mixing & pumping. The Iron Horse is strong, reliable, durable, and a great value.

Iron Horse Specifications
